Choose an AHS Premium stallion for your mare in 2012

Premium Performance stallions are among the most successful athletes in the equine world and fly the flag for the value of Arabian blood. Between them, these stallions have proven their worth through performance grading in the multi-discipline NaStA test (these have an asterisk * before their name on the back cover), or through the achievements of their offspring.

- Premium mares of any breed covered by an AHS Premium stallion in 2012 will earn a Premium of £300 from the AHS on registration of the foal in 2013. Owners of Nominated mares will receive £100 when they register the foal. But it's easy and FREE for a performance mare to earn Premium status - by her own ridden performance record; the results of at least two of her offspring; NaStA testing; or assessment in hand by AHS judges
- Progeny from Premium stallions qualify for AHS awards in future performance competition, including the Marathon, racing, endurance and ridden showing.

To breed your own great performance horse – maybe even a TAMARILLO (by Premium stallion Tarnik, now deceased), winner of both Burghley and Badminton - use an AHS Premium stallion listed on the back cover.

Sunlight's Imadje represents the very finest of the ageless Crabbet type. She has wonderful structure, carriage and movement. These attributes are passed down through her parentage but she also possesses her own remarkably rare refinement and quality and temperament. She competes easily with bloodlines of any source and has proved this in the show ring.

Although only lightly shown in hand in 2009, she achieved 1st in the AHS Futurity Fillies as a 3-year old and 4th in the Crabbet Championships. In 2010, she won a Gold medal at the Arabian Festival to stand as Senior Champion mare and 4th at the AHS National Championships.

LB FARRAH

17

**2009 Grey pure bred Arab filly by AHS
Premium stallion Sambist x Simeon Safira
by Simeon Sadik**

Owner: Teresa Gavin – Bred by Ms L Huggins

Recently bought from her breeder, Farrah's new owner plans a racing career for this lovely 2-year old filly. Farrah is currently at a foundation training yard in Lambourn, starting on some very preliminary ground work with a view to racing next year.

With her impeccable breeding and the race record of her sire, twice UK Long Distance Champion Sambist - plus 18 wins and 16 placings - Farrah has racing in her blood.

Farrah's racing pedigree, coupled with her power and impulsion, should help her when she goes under starter's orders.

**2010 bay/grey pure bred Arab filly
by Shuwaiman Al Bahrain x Falaina Bint
Chatanz by Chatanz**

Owned and bred by Miss Elizabeth Taylor

Faliesha's sire has also completed up to 120km FEI level - so she should prove to be an outstanding endurance horse. She has a lovely temperament, and definitely has her dam's intelligence and determination.
