# The Boomerang Plan

Gadebrook initiated the “Boomerang Plan” after seeing the excellent Australian Crabbet horses at the Toowoomba Convention in 2005 and visiting studs in Victoria and NSW. I aimed to reintroduce athletic pure Crabbet horses with ‘lost’ bay genes, clear of LFS and SCID.

My first choice was the filly **Palma Benay** (2005) by Pevensey Safari x Petra Benay (picture 2) (by Magic Prophecy: (picture 1) in 2005), whom I had seen as a foal at Leon Bennett’s stud.

She came over as a 2-year old with bay colt Erin Park Excel who was imported by Llain Arabians in Wales.

In 2010, Palma foaled a bay colt by Silver Zaanif named **Kaalif** who is now backed and already a winner in hand and the High Points two-year old winner at the BEF Futurity Gradings in 2012. This earned him a coveted Higher First Premium.

Next, Palma produced an enchanting grey filly **Palmyra** by Klinta Sultan, the 2011 Crabbet stallion champion.

Her energetic bay 2013 colt, **Palermo**, is by her Australian traveling companion Erin Park Excel.

**Palermo’s** fresh genes will be a great boon to breeders.

Palma is in foal to **Marbon Masadi** for 2014.

The Boomerang Gang expanded in 2012 with the exciting importation of two pure Crabbet proven brood mares from Australia: the impressive bay **Inshallah Signature**: (picture 3) (Crenel x Inshallah Tranquility) miraculously in foal to Monarch Lodge Ambition (by Tommie, so bay colt **Bismillah** is double Riffal), and the elegant “The Queen of Pevensey” **Pevensey Zariffia** (Ghazari x Veridan Za’aria, (picture 4) with Zariffia at foot, 2006), She is now in foal to Marbon Masadi for 2014.

The birth in April 2013 of leggy colt Bismillah, the bay offspring of Signature and Ambition, offers a huge boost to British breeders as he is clear of all lethal genes and carries few white markings.

Thank you, Australia!

Leon comments: *"Palma was the only daughter of the very special mare Petra Benay, who was sadly lost too early. Petra had a uniquely huge and gentle eye and though nursed intensively after being kicked in the shoulder, sadly never recovered. It was therefore a privilege to be able to export her daughter to Anne's 'Boomerang' programme at its outset back in 2007."*
